MINUTES

REGIONAL COUNCIL

Wednesday, September 28, 2022

The Council of The Regional Municipality of Durham met in the Lower Level Boardroom, Regional Headquarters Building, 605 Rossland Road East, Whitby, Ontario at 9:30 AM. Electronic participation was offered for this meeting.

Regional Chair Henry assumed the Chair.

Chair Henry asked members of Council to join in a moment of silence and to keep the people in Eastern Canada and the Southern United States in their thoughts as they deal with extreme weather events.

1. Traditional Territory Acknowledgment

Regional Chair Henry read the following land acknowledgement:

We are currently located on land which has long served as a site of meeting and exchange among the Mississaugas Peoples and is the traditional and treaty territory of the Mississaugas of Scugog Island First Nation. We honour, recognize and respect this nation and Indigenous Peoples as the traditional stewards of the lands and waters on which we meet today.

Chair Henry advised that on September 24th there was a Remembering the Children Ceremony held at Durham Region Headquarters, ahead of the second National Day for Truth and Reconciliation. The Region unveiled a new crosswalk and plaque at Regional Headquarters in honour of the children taken away, the families left behind and the survivors of Canada's residential school systems. Chair Henry thanked the Mississaugas of Scugog Island First Nations community members and organizations for their guidance and advice, and John Coldwell who created the design. Chair Henry also thanked the Diversity, Equity and Inclusion Division, the Indigenous Advisory Subcommittee, the Facilities and Corporate Services – IT divisions, and municipal partners for making the crosswalk a reality.

Chair Henry acknowledged all current members of Council and thanked them for providing guidance and leadership, and helping to shape Durham Region into a welcoming, inclusive and diverse community.

Chair Henry acknowledged the following members of Council who are retiring and noted:

- Mayor Dave Ryan is the longest serving Mayor in Pickering's history, having been first elected to Pickering Council in 1994 and elected Mayor in 2003. Mayor Ryan's tenacity, willingness to advocate for the needs of the community, and love for the city, has helped to revitalize and transform Pickering into a smart, sustainable community for everyone to proudly call their home.
- Mayor Bobbie Drew was first elected to Scugog Council in 2003 and has represented the residents of Scugog on Regional Council for 12 years and has served as Scugog's Mayor for the last four years. Mayor Drew cultivated a community that is wholesome, energetic and bound for great success. Mayor Drew has aided in enhancing local businesses, supported environmental projects, served as Chair of the Police Services Board, and has helped to create a healthy community for everyone in Scugog.
- Mayor John Grant has shown commitment to the Township of Brock through leadership, teamwork, and perseverance to create change. Having been first elected to Brock Council in 1994, Mayor Grant has spent almost ten years on Regional Council, and has gained the trust and respect of residents through volunteer efforts within the community and listening closely to their needs.
- Mayor Don Mitchell's involvement in the communities of the Town of Whitby is unmatched. Mayor Mitchell has committed to building a safe town for all residents of Whitby and has been actively involved in championing community services and has been dedicated in efforts to bring climate change to the forefront. Mayor Mitchell was first elected to Whitby Council in 1991 and has served as Mayor for the last eight years and has been a member and chair of many various boards and committees, as well as participating in and coaching local sports.
- Regional Councillor Bill McLean has been a member of Pickering Council since 2000 and has represented the City of Pickering for over 18 years on Regional Council. Councillor McLean is also a long serving member of the Police Services Board. As a long-time resident of Pickering, Councillor McLean is actively involved in the community as a member of various committees and boards and has even served as a local sports coach.
- Regional Councillor Gord Highet has represented the Township of Uxbridge on Regional Council for the last four years and has supported the community tremendously. Councillor Highet has helped to revitalize and renew the downtown core of Uxbridge, creating a sustainable area. Residents of Uxbridge have put their faith and trust in Councillor Highet since 2006 and are thankful for his dedication to helping the community.

Chair Henry acknowledged Don Beaton, Commissioner of Corporate Services who is retiring and advised that with more than 31 years of service in the municipal sector—including 29 years with the Region—Don has been a mentor, a trusted advisor, and a friend.

Don has worked as a Director in the Finance Department; served as IT's Director and Chief Information Officer; and was then appointed, by council, to the role of Commissioner of Corporate Services. Don's career includes overseeing negotiations for all bargaining units; being the driving force behind the redevelopment of the Region's website; and launching a highly successful—and now award-winning—Open Data initiative. Most recently, Don was responsible for the Region's employees during a global pandemic. Chair Henry wished Don all the best in retirement.

Chair Henry suggested a brief recess in order for photographs to be taken of the retiring members.

6. Delegations

6.1 Robert Horgan, Durham Resident, re: Lack of Regional and Community Supports for Men being Abused and their Children and Homelessness

Robert Horgan was not in attendance at this point in the meeting. The delegation from R. Horgan was heard later in the meeting. [See Item 6.1 on pages 7 and 8]

6.2 Imtiaz Mohammed, Ajax Resident, re: Interim Suspension of Service Line Warranties of Canada Inc. Program (2022-COW-27) [Item #3 of Report #7 of the Committee of the Whole]

Imtiaz Mohammed, Ajax Resident, appeared before the Committee regarding Report #2022-COW-27: Interim Suspension of Service Line Warranties of Canada Inc. Program.

I. Mohammed expressed concerns regarding the letter that they and their neighbours received from Service Line Warranties Canada Inc. (SLWC) and the lack of communication from the Region to homeowners prior to the letter being sent out. I. Mohammed also expressed concerns that SLWC is a U.S. based company, and concerns with respect to certain wording in the SLWC's terms and conditions documents.

I. Mohammed raised several questions including the following:

- What is the cost to terminate the contract with SLWC?
- What legal registration or governing body is SLWC registered with?
- Who are the directors and majority shareholders of the company?
- Has there been any lawsuits or arbitration or legal action against the company?
- Who warranties the work done by SLWC or the local subcontractors?
- What are the benefits financially or otherwise to the Region?

I. Mohammed referenced an article by CBC dated October 4, 2019 titled, "Insurance Bureau of Canada says private company's sewer, water line warranty might not be worth it", the SLWC letter that was distributed to homeowners, the SLWC Exterior Water Service Line Terms and Conditions, the SLWC Exterior Sewer/Septic Line Terms and Conditions, and an article by The Telegraph dated May 19, 2022 titled, "Plumbing Business Founder and Wife to Land £500m fortune".

I. Mohammed concluded that the amendment to By-law #90-2003 holds homeowners responsible for repairs to the sewer line located in the new property boundary and this is a clear reduction in services. I. Mohammed added that major decisions require research and recommendations.

I. Mohammed responded to questions from members of Council.

Moved by Councillor Marimpietri, Seconded by Councillor Mitchell,
(151) That the delegation from Mike Van Horne be heard.

CARRIED ON A 2/3rds VOTE

6.3 Mike Van Horne, Service Line Warranties of Canada, re: the Service Line Warranty Program

Mike Van Horne, Service Line Warranties of Canada (SLWC), appeared before Council with respect to the Service Line Warranty Program. M. Van Horne advised that:

- SLWC partnered with the Region to provide optional water and sewer service line protection to homeowners consistent with the agreement signed in May 2022.
- They have received 856 enrollments to-date, split between water and sewer line plans, signaling homeowners see value in protecting themselves against the potentially high cost of emergency repairs
- SLWC would be pleased to continue to provide homeowners optional coverage to protect their water line or in-home plumbing systems

M. Van Horne outlined the background of SLWC and details of their program and noted that their service plans are not considered insurance in Ontario or in Manitoba, and that they are licensed in five provinces consistent with local requirements.

M. Van Horne noted that the key feature of their plan is to provide financial coverage and arrange for the quick repair of critical home infrastructure; and that they have saved Canadian homeowners over \$6 million in emergency repair bills that would have otherwise required an unplanned out of pocket expense.

M. Van Horne responded to questions from members of Council.

6.1 Robert Horgan, Durham Resident, re: Lack of Regional and Community Supports for Men being Abused and their Children and Homelessness

Robert Horgan, Durham Resident, provided a delegation with regards to the lack of regional and community supports for men being abused, their children, and homelessness.

R. Horgan advised of a previous delegation to the Region of Durham in 2016 with regards to concerns about the lack of resources for men experiencing domestic violence and support for their children. R. Horgan stated there were questions raised on the need for support as well as whether men really do get abused in relationships. R. Horgan stated that men can be in relationships and suffer abuse; that there are patterns of abuse against men that are well established in research; that abuse of disabled men is significantly higher; and that there is also elder abuse. R. Horgan stated that personal experience from 6 years ago was that there were very few resources available or accessible and that is still the case today.

R. Horgan asked Council to recognize that domestic violence happens on both sides and that there are no organizations with mandates to support children (unless they are with their mothers) or fathers.

R. Horgan stated that based on the severity of domestic violence, there needs to be a more urgent response and concluded by stating that children and their dads need to have the same access to the many resources available to women and their children.

Moved by Councillor Marimpietri, Seconded by Councillor McLean,
(152) That Council recess for one hour for lunch.

CARRIED

Council recessed at 11:41 AM and reconvened at 12:45 PM

Report #8 of the Planning & Economic Development Committee

For consideration by Regional Council

December 21, 2022

The Planning & Economic Development Committee recommends approval of the following:

1. Ready Set Future: Five Year Economic Development and Tourism Strategy and Action Plan ([2022-EDT-15](#))

 - A) That the new Economic Development and Tourism Strategy and Action Plan, '2023-2027 Ready Set Future: A PLACE Blueprint for Durham', be endorsed;
 - B) That a copy of "Ready Set Future" be sent to Durham's Area Municipalities, all members of the Steering Committee, all members of the Durham Economic Development Partnership, Durham's post-secondary institutions, Durham Chambers of Commerce and the Boards of Trade, Mississaugas of Scugog Island First Nation, Durham Workforce Authority, Business Advisory Centre Durham, Spark Centre, 1855 Accelerator, OPEN.Innovate, and Central Counties Tourism; and
 - C) That Durham Region Council extend its thanks to the many contributors and collaborators throughout the Region and the members of the Steering Committee for their time, dedication, and support to this important project.
2. Parkwood Co-branding Collaboration

Whereas the Durham Region Economic Development and Tourism Division Film Office (Film Durham) supports and promotes Durham as a world-class location for film, television and digital media production (the Film Industry), supporting job creation and economic activity in the Industry; and

Whereas the Film Industry in Durham Region is growing at a faster rate than the overall Ontario growth rate, growing 220% between 2012 and 2019, and saw \$63 million in total film production in 2019; and

Whereas the Film Industry in Durham Region has strong and continuing growth potential as demonstrated by recent investments such as the William F White 90-acre backlot in the City of Pickering; and

Whereas the Film Industry workforce in Durham Region has been gaining momentum through workforce development activities such as Film Durham career fairs, and programming at Durham College and Ontario Tech University; and

Whereas the growing interest in the Film Industry in Durham Region is supported by the Durham Region International Film Festival (DRIFF), which also hosted a film maker incubator in 2022; and

Whereas Parkwood National Historic Site (Parkwood) is one of the top ten filming locations in Canada; and

Whereas Parkwood relies on filming production as a necessary means for financial sustainability and preservation; and

Whereas there is an opportunity for Film Durham to capitalize on Parkwood's top-ten status by working with them to promote economic opportunities for Durham Region's Film Industry more broadly; and

Whereas this collaboration can promote to the national and international Film Industry that Durham Region and their talented workforce is ready and open for business, and that Durham is home to many exceptional and world-class filming locations;

Now therefore be it resolved that the Commissioner of Planning and Economic Development be directed to enter into discussions, notwithstanding Durham Region's grant policy/bylaws, with Parkwood to establish a co-branding arrangement for the purpose of promoting Durham's Film Industry, whereby the Region's Film Durham brand and logo would be placed alongside the Parkwood name and brand in all public-facing media, in consideration of an annual contribution by the Region of \$25,000, subject to Regional Council approval annually of the business plan and budget; and

That staff discuss this co-branding collaboration to create brand visibility for Film Durham, and to increase economic opportunities for both Parkwood and the Film Industry of Durham Region as a whole; and

That the Commissioner of Finance identify a source of funds for this annual contribution; and

That the Commissioner of Planning and Economic Development be authorized to execute such a discussion, with terms satisfactory to the Regional Solicitor; and

That Economic Development and Tourism staff report back to Council with the outcomes of this discussion.

Respectfully submitted,

B. Chapman, Chair, Planning & Economic Development Committee

Report #8 of the Works Committee

For consideration by Regional Council

December 21, 2022

The Works Committee recommends approval of the following:

1. Correspondence received from the Town of Whitby, dated October 3, 2022, re: Highway 412 – Installation of Ramps and Signalization Lights

That the following resolution passed by the Town of Whitby regarding Highway 412 – Installation of Ramps and Signalization Lights be endorsed:

Whereas the traffic has increased in volume on Highway 412 since the tolls were lifted earlier this year;

Whereas residents report that the intersections of the on and off ramps at both Highway 7 and Highway 2 are difficult to navigate safely;

Whereas there is substantial growth around the Rossland Road area of Highway 412; and

Whereas the east-west roads within our municipality are increasingly congested with all the new growth, and the usage of Highway 412 is anticipated to increase substantially;

Now therefore be it resolved:

1. That the Council of the Town of Whitby requests that the Province of Ontario install entrance and exit ramps at Rossland Road on Highway 412, as well as provide for signalization lights at the intersections of the on and off ramps to provincial highways 2 and 7; and
 2. That this request of Council be copied to the MTO, AMO, Region of Durham and all Durham MPPs and MPs.
2. Resolution regarding the Need for an Administrative Penalties Regulation under the Resource Recovery and Circular Economy Act (RRCEA)

Whereas Municipal governments support the Province's implementation of outcomes-based policies to move responsibility for end-of-life management of designated products and packaging to producers who are the most able to affect system change;

And whereas these policies can improve environmental outcomes, provide new jobs and grow Ontario's economy;

And whereas outcomes-based policies require clear consequences for non-compliance that can be administered in an effective and efficient manner;

And whereas Administrative penalties are a cost-effective tool for the regulator to hold polluters accountable, so there is less burden on the courts and taxpayers;

And whereas the Resource Productivity and Recovery Authority does not have Administrative Penalties which is impacting the ability of the regulator to ensure compliance with the regulations under the Resource Recovery and Circular Economy Act, 2016;

And whereas data provided by Resource Productivity and Recovery Authority shows there is a currently a backlog of over 2,000 cases of potential non-compliance and almost 200 known instances of non-compliance;

And whereas the Resource Productivity and Recovery Authority has found battery producers non-compliant for collection accessibility and processing;

And whereas the largest waste diversion program, the Blue Box, sees the first communities transition in a few months, ensuring the Regulator has appropriate enforcement tools to ensure servicing and outcomes are met is critical for a smooth transition for Ontarians;

Now therefore it be resolved that the Regional Municipality of Durham calls on the Provincial government to promptly pass an Administrative Penalties regulation under the Resource Recovery and Circular Economy Act, 2016;

And that a copy of this resolution be sent to:

- Hon David Piccini, Minister of the Environment, Conservation and Parks and AMO
- Durham MPP's
- Association of Municipalities of Ontario (AMO)
- All Durham Local Municipalities
- The Ontario Waste Management Association

3. Resolution regarding the Expansion of a Slow Down Move Over Requirement to All Roadside Workers

Whereas the Province's Highway Traffic Act currently provides protection to select designated roadside workers (police, paramedics, and tow truck drivers), which requires motorists to slow down and move over when vehicles are stopped alongside the road;

Whereas many roadside workers (e.g., waste and recycling collectors, maintenance workers) are not currently afforded the same protection but work under the same conditions;

And whereas British Columbia passed a Slow Down Move Over law to make it safer for all roadside workers including maintenance workers, utility workers, police, fire, ambulance, tow trucks, Commercial Vehicle Safety Enforcement personnel, land surveyors, animal control workers, garbage collectors and other roadside workers;

And whereas the BC Slow Down Move Over law simplifies the messaging to all residents by requiring motorists to adhere to the requirements for all vehicles stopped alongside the road that have flashing red, blue or yellow lights;

And whereas 30 US states have established 'Slow Down Move Over' laws providing protections for waste collection workers;

And whereas multiple Associations such as the Ontario Waste Management Association, the Ontario Road Builders' Association and the Ontario Good Roads Association have advocated for amendments to Ontario's Highway Traffic Act to include all roadside workers;

Now therefore it be resolved that the Region of Durham calls on the Provincial government to promptly amend the Highway Traffic, like the Government of British Columbia already has, to provide the same protections to all roadside workers including waste collection workers;

And that a copy of this resolution be sent to:

- Hon Doug Ford, Premier of Ontario
- Hon Caroline Mulroney - Minister of Transportation - Ontario Ministry of Transportation
- Durham MPP's
- Association of Municipalities of Ontario (AMO)
- All Durham Local Municipalities
- The Ontario Waste Management Association
