The Regional Municipality of Durham

MINUTES

REGIONAL COUNCIL

Wednesday, February 1, 2023

The Council of The Regional Municipality of Durham met in the Council Chambers, Regional Headquarters Building, 605 Rossland Road East, Whitby, Ontario at 9:30 AM. Electronic participation was offered for this meeting.

Regional Chair Henry assumed the Chair.

1. Traditional Territory Acknowledgment

Regional Chair Henry read the following land acknowledgement:

We are currently located on land which has long served as a site of meeting and exchange among the Mississaugas Peoples and is the traditional and treaty territory of the Mississaugas of Scugog Island First Nation. We honour, recognize and respect this nation and Indigenous Peoples as the traditional stewards of the lands and waters on which we meet today.

Chair Henry recognized the beginning of Black History Month in Durham Region and advised that the theme this year is Together We Rise Durham: Excellence Through the Arts. He stated that Black History Month is about recognizing and celebrating strength, innovation, and determination to work towards a more inclusive and diverse Canada. He advised that on February 2nd Durham Region and community partners will come together to celebrate with keynote speaker, Cameron Bailey, Chief Executive Officer of the Toronto International Film Festival and the evening will showcase artistic displays with live music and performances at The Robert McLaughlin Gallery in Oshawa.

Chair Henry recognized and congratulated Ian McVey for receiving the Academic Award from the University of Western Ontario for earning the highest average grade among the entire Graduate Diploma in Public Administration graduating class.

4. Presentations

4.1 Troy Cheseboro, Chief, Durham Paramedic Services; and Nicole Pincombe, Director, Business Planning and Budgeting, Finance Re: 2023 - 2032 Region of Durham Paramedic Services (RDPS) Service and Financing Strategy (2023-COW-7) [Item 7.2]

T. Cheseboro, Chief, Durham Paramedic Services and N. Pincombe, Director, Business Planning and Budgeting, provided a Powerpoint presentation on the 2023 - 2032 Region of Durham Paramedic Services (RDPS) Service and Financing Strategy.

Highlights of the presentation included:

- Region of Durham Paramedic Services Service and Financing Strategy (2023 – 2032)
- Report Recommendations
- Call Volumes
- Hospital Offload Delay
- Paramedic Absences
- Down Staffed Ambulances
- Service Impacts – Offload Delay & Paramedic Absences
- Proposed Investment
 - Staffing
 - Other Investments
 - Projected Service Performance
- 2023 – 2032 Implementation Plan
- Risks and Consideration
- Conclusions

T. Cheseboro provided an overview of the 10-year Paramedic Services Financing strategy. He advised that the presentation responds to Regional Council's direction to staff on October 27, 2021 to report back on the status of the review of the recommendations in the Comprehensive Master Plan for Paramedic Services before presenting the proposed Public Health and Paramedic Services 2023 Business Plans and Budget.

T. Cheseboro provided an overview of the need for additional investment as a result of the financial impacts due to an increase in call volumes; offload delays at hospitals; staff absences; frontline resources; and, paramedic absences.

N. Pincombe provided an overview of the financial pressures on Paramedic Services service levels and the investment needed to be actioned in the 10-year financial plan. She noted that fifteen staff were approved in 2022, and they are recommending 142 full-time paramedics, including seven supervisors and four commanders, one Disability Management Specialist and additional staff for a total of 160 new full-time employees. She added that other investments include three new/replacement paramedic stations, new capital assets to support proposed staff increases, increased investment in state of good repair of existing facilities, and Advanced Care Paramedic training.

N. Pincombe provided an overview of the 2023 - 2032 implementation plan and projected regional tax levy impact. She noted that the plan is formed by a number of assumptions and outlined the risks and considerations.

N. Pincombe stated that the 10-year Paramedic Service and Financing Strategy is a starting point and will be reviewed every two years to ensure the plan is meeting projected service performance objectives.

T. Cheseboro responded to questions regarding future population growth exceeding the capacity of the healthcare system; equity related matters; the implications of the Whitby hospital void; increased provincial funding to offset the challenges; reporting mechanisms; the new paramedic station in North Oshawa; staffing absence impacts; retention and recruitment of staff; and investments in staff.

T. Cheseboro also responded to questions regarding meeting the provincial service delivery standards; a break down of the impacts by ward or area to identify gaps to address capacity matters; the implications of part-time staff working in other municipalities and being deployed to respond in other municipalities; funding for new models of care such as paramedics treating residents at their residence; offload delays in Uxbridge; ambulance offload based on vicinity/resource availability; the increased investment and state of good repair of existing facilities; and, hospital emergency departments.

N. Pincombe responded to questions regarding the proposed investment in staffing from 2023 to 2031 and the growth projections of the Region.

E. Baxter-Trahair responded to questions with regards to working with the province regarding funding to support the increased investment in paramedic services.

Moved by Councillor Chapman, Seconded by Councillor Foster,

(7) That the agenda be altered to consider Item 7.2, Report #2023-COW-7 re: 2023 – 2032 Region of Durham Paramedic Services (RDPS) Service and Financing Strategy, at this time.

7. Reports

7.2 2023 – 2032 Region of Durham Paramedic Services (RDPS) Service and Financing Strategy (2023-COW-7)

Report #2023-COW-7 from Dr. R.J. Kyle, Commissioner and Medical Officer of Health and N. Taylor, Commissioner of Finance was received.

T. Cheseboro responded to questions regarding underserved areas; the central ambulance communication centre; if there is a system in place to call off the Fire Department if it is determined they are not required; and, call diversion systems to transfer to healthcare providers.

E. Baxter-Trahair responded to questions regarding municipal benchmarking.

Moved by Councillor Barton, Seconded by Councillor Nicolson,

(8) That the Committee recess for 15 minutes.

CARRIED

The Committee recessed at 11:53 AM and reconvened at 12:08 PM

Following the recess, the Clerk conducted a roll call, and all members of Committee were present with the exceptions of Councillors Ashe, Carter, Collier, Kerr, Lee, Marimpietri, and Neal.

Moved by Councillor Chapman, Seconded by Councillor Foster,

(9) That we recommend to Council:

A) That the 10-year implementation plan outlined in Attachment #1 to Report #2023-COW-7 of the Commissioner and Medical Officer of Health and Commissioner of Finance for increased investment in Paramedic Services response be approved in principle subject to annual investment approvals through the Region's business planning and budget process;

- B) That given the significant service level investments needed, that annual incremental increases for Paramedic Services be acknowledged in the range of half to threequarters of a per cent per year on the overall Regional tax levy over the forecast period;
- C) That staff monitors and reports every two years on the outcomes of the implementation plan and that the plan be updated as required to respond to changes impacting the forecast including, but not limited to, changes in service demands, provincial funding, offload delays and provincial policy decisions impacting the delivery of Paramedic Services; and,
- D) That staff continues working with the Province and local hospitals to improve hospital offload delays, advance provincial legislative changes to improve paramedic service delivery and efficiency and advocate for additional funding to support the increased investment in paramedic services response.

Report #2 of the Finance & Administration Committee

For consideration by Regional Council

March 01, 2023

The Finance & Administration Committee recommends approval of the following:

1. The Regional Municipality of Durham's Accessibility Advisory Committee's 2022 Annual Report and 2023 Workplan (2023-A-4)
 - A) That Report #2023-A-4 of the Chief Administrative Officer be received for information as The Regional Municipality of Durham's Accessibility Advisory Committee's 2022 Annual Report; and
 - B) That the Regional Municipality of Durham's Accessibility Advisory Committee's 2023 Workplan be approved.

2. Appointment of new members to the Durham Accessibility Advisory Committee (AAC) (2023-A-5)

That the following people be appointed to the Durham Accessibility Advisory Committee:

Mr. Jim McEwen – Community member; and

Mr. Adam Blum – community member.

3. Investment Portfolio Update (2023-F-4)

That staff continue to investigate alternatives for transitioning to the prudent investor standard to assess its suitability for the Region's portfolio.

4. Transit Service and Financing Strategy (2023-F-5)
 - A) That the 10-year plan to phase investment in transit service enhancements, electrification, and new facilities and amenities be approved in principle subject to annual investment approvals through the Region's business planning and budget process, and that the 10-year plan be reviewed every four years or earlier as necessary in consideration of new information that may impact plan delivery, financing and timelines; and
 - B) That given the current level of funding to Durham Region Transit supports a significantly lower service level than that provided by our comparators, and that the 10-year plan requires a long term, not a one year commitment, to achieve the outcomes needed, that annual incremental increases for Durham Region Transit be acknowledged at a starting increase of approximately 2 per cent per year on the overall Regional tax levy with a

goal to incorporate new funding opportunities that may arise annually to smooth annual tax levy impacts where possible; and

- C) That staff enhance advocacy for sustained, incremental, targeted funding from the Provincial and Federal governments to support the funding gaps identified in this 10-year plan; and
- D) That the General Manager of Durham Region Transit and the Commissioner of Finance be authorized to implement a 2023 charter service rate for standard 12 metre transit buses on a cost recovery basis at \$925.00 per hour for a minimum four hour booking, with a rate of \$505.00 for each additional bus and \$130.00 for each additional hour; and
- E) That the proposed DRT Fare Structure listed in Attachment #2 to Report #2023-F-5 of the Commissioner of Finance be approved establishing a base adult fare and associated discount for trip rates for each fare category ensuring the proportional application of any future adjustments to the base fare is maintained; and
- F) That DRT fares be adjusted with a \$0.10 increase to the base fare to take effect on July 1, 2023 as detailed in Attachment #2 to Report #2023-F-5.

Respectfully submitted,

K. Ashe, Chair, Finance & Administration Committee

Report #2 of the Planning & Economic Development Committee

For consideration by Regional Council

March 1, 2023

The Planning & Economic Development Committee recommends approval of the following:

1. Correspondence from the Town of Ajax, re: Resolution passed at their Council meeting held on January 23, 2023, regarding Accelerating Development of Thousands of New Housing Units

That the following motion passed by the Ajax Town Council on January 23, 2023, be endorsed:

Whereas the Ontario government has recognized that there is a housing crisis and has established a goal to have 1.5 million homes built in the next ten (10) years, and has additionally set a specific target of 17,000 new homes for the Town of Ajax by 2031;

And whereas on February 22, 2021, Ajax Council supported five (5) Employment Area Conversion Requests to advance residential growth in the Town;

And whereas these requests were endorsed by Durham Region Council on December 22, 2021 for inclusion within a new Regional Official Plan;

And whereas up to 4,100 housing units and 50 job per hectare could be created through developments proposed in the following Employment Area Conversion Requests:

- a) CNR-07 – 8.8 hectares – located at the southeast corner of Salem Road North and Kerrison Drive East,
- b) CNR-15 – 2.99 hectares – located at 1401 Harwood Avenue North,
- c) CNR-19 – 3.8 hectares – located at 250 Rossland Road East,
- d) CNR-20 – 0.69 hectares – located at 650 Beck Crescent, and
- e) CNR-33 – 1.11 hectares – located at 1541 Harwood Avenue North;

And whereas these lands are located within an existing Settlement Area Boundary;

And whereas the development of these urgently needed housing units could be delayed for years while approvals are sought;

And whereas Durham Region's Official Plan process is in question due to changes to the regional planning framework implemented by the More Homes Built Faster Act, 2022;

And whereas by accelerating the timeline, landowners can take advantage of developing at today's costs and interest rates, while conversely, further delaying the process could put development at risk due to the unknown future rate of inflation;

And whereas through inclusion in the Durham Region Official Plan process, these parcels have been subject to review and public consultation;

Now therefore be it resolved that:

1. Council requests the Minister of Municipal Affairs and Housing enact Minister's Zoning Orders (MZOs) as follows:
 - a. CNR-07 to permit a mixed-use development with approximately 2,873 apartment dwelling units and a minimum of 40,000 m² non-residential gross floor area within multiple buildings up to a maximum height of 25 storeys;
 - b. CNR-15 to permit a residential development with approximately 150 townhouse dwelling units with a minimum height of 3-storeys;
 - c. CNR-19 to permit a mixed-use development with approximately 800 apartment dwelling units and a minimum of 9,300 m² non-residential gross floor area within buildings up to a maximum building height of 25 storeys;
 - d. CNR-20 to permit a mixed-use development with approximately 200 apartment dwelling units and a maximum height of 25 storeys; and
 - e. CNR-33 to permit a residential development of between 33 and 77 townhouse dwelling units;
2. Affordable and below market rent options shall be included in the housing mix where feasible;
3. Council requests the Ministry of Municipal Affairs and Housing engage Town of Ajax planning staff to establish site specific development standards incorporating Town of Ajax Official Plan policies and other technical elements to ensure land use compatibility, good urban design, and appropriate project phasing;
4. Should the negotiation between all parties not achieve the outcomes in clause 1 and 2, that specific MZO request not move forward;
5. Council be empowered to request the revocation of any MZO approved in response to this motion if a site plan application or plan of subdivision application is not submitted within one year of the issuance of the MZO;

6. Staff be directed to deliver a presentation to Council detailing the contents of MZO's issued by the Minister in response to this motion; and
 7. This motion be circulated to the Minister of Municipal Affairs and Housing Steve Clark, Ajax MPP Patrice Barnes, and Durham Region Chair, John Henry.
2. Growing North Durham: Rural Economic Development Action Plan (2023-EDT-2)

That the Growing North Durham: Rural Economic Development Action Plan, be endorsed.

3. Durham Agricultural Advisory Committee re: Impacts on Food Prices and Opportunities for Advocacy to Improve Financial Viability for the Agri-food Sector

Whereas the agri-food industry is one of the top economic drivers in Durham Region supporting a workforce of over 27,105 people through 3,360 agri-food businesses, more than 1,200 farms and farm families, contributing upwards of \$354 million to Ontario's total farm production and supporting \$775 million in GDP;

And Whereas food prices have seen their steepest increase since 1981 with a year over year increase of 11% as of October 2022;

And Whereas inputs for farmers and primary producers have increased significantly in the last year, including fertilizer prices increasing 95.8% compared to July 2020, fuel prices have seen a historic year-over-year increase, while chemical/herbicide markets have experienced shortages and increased prices. Despite these changes, farmers have not seen a significant increase in their primary product price to compensate for the rising cost of inputs;

And Whereas the profit margin for farmers was adversely impacted by a 35% tariff placed on fertilizer imports, including fertilizer purchased prior to economic sanctions being placed on Russia and Belarus that farmers in Canada rely on to support food production.

Now therefore be it resolved that the Durham Agricultural Advisory Committee requests that Regional Council recognize the importance of agriculture in Durham Region by encouraging the federal government to compensate farmers for tariffs paid on fertilizer, one of the contributing factors to increased food costs.

B. Chapman, Chair, Planning & Economic Development Committee

Notice of Motion to Endorse

Moved by: Councillor Tito-Dante Marimpietri

Second: Councillor Bob Chapman

Motion for a TGV in the Quebec-Toronto Corridor

Whereas the federal government recently made an important decision to modernize the rail network in the Quebec-Toronto corridor;

Whereas the federal government is instead aiming for a high-frequency train (TGF) project rather than a high-speed train (TGV) project, which will only slightly reduce the travel time between the major cities located in this corridor and therefore make the project much less attractive to the population;

Whereas if Canada wants to significantly reduce its GHG emissions and reach its targets promised to the international community, significant sums will have to be invested in public transit, particularly in rail transportation;

Whereas a TGV could make the Montreal-Toronto trip in 2 h 18 min and Montreal-Québec in 1 h 13 min, which would allow real competition with air transport and automobile transport, in terms of efficiency, comfort, and speed;

Whereas the population residing in the Quebec-Toronto corridor represents approximately one third of the total population of Canada, which is an ideal population density for the establishment of a TGV system;

Whereas the TGV could have enormous leverage effects for the economic and cultural development of the major cities located in this corridor, notably Montreal;

Whereas over the next ten years, Quebec and Ontario alone plan to spend \$56 billion on their road network, an amount that represents approximately twice the cost of a TGV between Quebec and Toronto;

Whereas Canada is the only G7 country that does not yet have a TGV system;

That Region of Durham openly endorse and pledge support for the City of Montreal's motion of February 20th 2023 (Moved by Craig Sauvé, Conseiller de la Ville du district de Saint-Henri-Est-Petite-Bourgogne-Pointe-Saint-Charles--Griffintown and seconded by Serge Sasseville, Conseiller de la ville du district de Peter-McGill.)

And that a copy of this motion be sent to the Minister of Transport, The Honorable Omar Alghabra; the Minister of Intergovernmental Affairs, Infrastructure and Communities, The Honorable Dominic LeBlanc; as well as to members of the House of Commons; The Prime Minister of Canada; The Premiers of Ontario and Quebec and respective legislatures; La Ville de Montreal, The City of Toronto Council, each Municipality and Region on the Toronto Montreal Rail Corridor, VIA Rail, CN Rail, AMO and FCM.

Impacts of the release and development of Greenbelt lands

Moved by: S. Collier

Seconded by: G. Anderson

WHEREAS Envision Durham, the Municipal Comprehensive Review of our Official plan, was launched in 2019 to meet the Region's growing population;

AND WHEREAS during this multi-year process, the Region has conducted in-depth studies and produced thorough reports about how and where to grow, including the Growth Management Study which included various land need scenarios, and preferred scenarios which were endorsed by Regional Council on May 25, 2022; the 'Draft Settlement Area Boundary Expansions and Area Municipal Growth Allocations' (SABE) report, which was released on November 10, 2022, and the draft Regional Official Plan which was released on February 10, 2023;

AND WHEREAS on November 4, 2022, the provincial government announced amendments to the Greenbelt Plan to remove 7,400 acres from the Greenbelt, including 4,500 acres in Durham Region, to be used to build housing in the near term;

AND WHEREAS the impact of the development of the former Greenbelt lands in Durham Region is not reflected in any of the Envision Durham analysis or growth allocations released by the Region;

AND WHEREAS impacts of development, including municipal servicing capacity and feasibility, transportation connectivity, the financial viability of providing and maintaining services, are likely to result in serious unintended consequences such as project delays and financial hardships;

AND WHEREAS Regional Council has yet to approve the new Regional Official Plan and there is still an opportunity for reflection;

THEREFORE BE IT RESOLVED THAT

- Staff address the implications of the release and development of the Greenbelt lands in a report;
- That consideration of the new Regional Official Plan by Council not take place until the above mentioned report has been completed.
