Honourable Khanjin,

**RE: KING: NOTICE OF MOTION  
- LAKE SIMCOE PHOSPHOROUS REDUCTION STRATEGY RESOLUTION**

At its meeting of October 16, 2023, Council of the Corporation of the Township of King received and supported a Resolution with respect to the Lake Simcoe phosphorous reduction strategy.

Council of the Township of King formally requests that the Provincial Ministry of the Environment, Conservation and Parks, endorse and support the following Resolution:

**"WHEREAS** the *Lake Simcoe Protection Act, 2008*, which received unanimous support in the Ontario Legislature in 2008, outlines a variety of measures to protect the Lake Simcoe watershed, including reducing phosphorous loading to the lake; and

**WHEREAS** the Lake Simcoe Protection Plan promotes an adaptive management framework; and

**WHEREAS** significant change has occurred in the watershed since the original phosphorus loading target of 44 tonnes per year was established that should influence management strategy, such as the type and extent of invasive species as well as climatic changes in precipitation, streamflow and ice cover;

**NOW THEREFORE BE IT RESOLVED THAT:**

1. The Council for the Township of King requests that the Province of Ontario updates the Lake Simcoe Phosphorus Reduction Strategy including revising the phosphorus target and adding other management objectives as necessary; and
2. That the Province of Ontario develops and funds implementation of a time-bound action plan to achieve the revised Lake Simcoe Phosphorus Reduction Strategy with a target date of 2030; and
3. That a copy of this resolution be sent to the Hon. Andrea Khanjin, Minister of the Environment, Conservation and Parks; all Lake Simcoe watershed Members of Parliament; all Lake Simcoe watershed Members of Provincial Parliament; all Lake Simcoe watershed municipalities; and the Lake Simcoe Region Conservation Authority."

*Carried Unanimously.*

Yours truly,

Denny Timm  
Township Clerk
