

# COUNCIL RESOLUTION

Resolution No.: 399-23

Date: Nov 14, 2023

Moved By: 

Seconded By: 

WHEREAS excessive noise resulting from the operation of moving vehicles falls under the jurisdiction of the Highway Traffic Act, R.S.O. 1990, c. H.8. ("Highway Traffic Act") which is enforced by provincially appointed officers;

AND WHEREAS municipalities, including the Municipality of Shuniah, have received complaints from residents regarding noises associated with the use of engine retarder brakes on heavy vehicles;

AND WHEREAS the Ministry of Transportation recommends the use of engine braking in certain circumstances, such as the downgrade located on Spruce River Road to avoid overheating brakes, and as a form of backup brake if brakes fail;

AND WHEREAS a higher engine noise is typically emitted for a short period of time (e.g., ten (10) to thirty (30) seconds), depending on the vehicle's speed and vehicles may make a loud "chattering" or "jackhammer" exhaust noise when this braking system is engaged;

AND WHEREAS this noise can be amplified if the vehicle has no muffler or an improper muffling system;

AND WHEREAS noise emissions from commercial vehicles form part of the Ministry of Transportation's inspection process;

AND WHEREAS installation of "courtesy" signs that request the drivers to limit the use of loud compression style brakes are difficult to enforce and there is evidence of these types of signs not being beneficial;

BE IT RESOLVED THAT the Province of Ontario be requested to enhance enforcement for deficient muffler systems to address concerns around excessive and unnecessary noise from engine brakes.

FURTHER BE IT RESOLVED THAT a copy of this motion be forwarded to Premier Doug Ford, Minister of Transportation Prabmeet Sarkaria, MPP Kevin Holland, MP Marcus Powlowski, MPP Lise Vaugeois, and MP Patty Hajdu.
