NOW THEREFORE BE IT RESOLVED THAT:

Whereas current provincial-municipal fiscal arrangements are undermining Ontario’s economic prosperity and quality of life;

Whereas nearly a third of municipal spending in Ontario is for services in areas of provincial responsibility and expenditures are outpacing provincial contributions by nearly \$4 billion a year;

Whereas municipal revenues, such as property taxes, do not grow with the economy or inflation;

Whereas unprecedented population and housing growth will require significant investments in municipal infrastructure;

Whereas municipalities are being asked to take on complex health and social challenges – like homelessness, supporting asylum seekers and addressing the mental health and addictions crises;

Whereas inflation, rising interest rates, and provincial policy decisions are sharply constraining municipal fiscal capacity;

Whereas property taxpayers – including people on fixed incomes and small businesses – can’t afford to subsidize income re-distribution programs for those most in need;

Whereas the province can, and should, invest more in the prosperity of communities;

Whereas municipalities and the provincial government have a strong history of collaboration;

Therefore, be it resolved that the Province of Ontario commit to undertaking with the Association of Municipalities of Ontario a comprehensive social and economic prosperity review to promote the stability and sustainability of municipal finances across Ontario; **And further that** a copy of this motion be sent to the Minister of Municipal Affairs and Housing, and to the Association of Municipalities of Ontario.
