AMO Advocacy on Homelessness Encampments

Dear Clerks and Heads of Council of Municipal Governments Across Ontario:

The AMO President and Board is requesting that this letter be shared with all elected council members and administrative heads (i.e., CAO, City Manager) in your municipality. Please post as an information item in your next council meeting agenda.

On behalf of its municipal members, the Association of Municipalities of Ontario (AMO) is urgently calling for provincial and federal leadership and action to address the growing crisis of homelessness encampments in communities across Ontario.

On July 2nd, AMO released a new policy paper [Homeless Encampments in Ontario: A Municipal Perspective](#) detailing the state of this crisis and evidence-based actions that must be taken.

Municipal governments are at the front lines of the homelessness crisis without the resources or tools to support our residents and communities. We are asking the provincial and federal governments to work collaboratively with each other and municipalities. These are complex issues that require comprehensive responses from all orders of government working together.

Sincerely,

Colin Best

President, Association of Municipalities of Ontario (AMO)
