Dear Mr. Best:

**RE: Request for the Provincial Government to Recognize the Physician Shortage
in the Township of Lake of Bays**

Please be advised that the Council of the Corporation of the Township of Lake of Bays, at its last regularly scheduled meeting on August 13, 2024, passed the following resolution,

“Resolution TC-206-2024

WHEREAS the state of health care in Ontario is in crisis, with 2.3 million Ontarians lacking access to a family doctor, emergency room closures across the province, patients being de-rostered and 40% of family doctors considering retirement over the next five years;

AND WHEREAS it has become increasingly challenging to attract and retain an adequate healthcare workforce throughout the health sector across Ontario;

AND WHEREAS the Northern Ontario School of Medicine University says communities in northern Ontario are short more than 350 physicians, including more than 200 family doctors; and half of the physicians working in northern Ontario expected to retire in the next five years;

AND WHEREAS Ontario municipal governments play an integral role in the health care system through responsibilities in public health, long-term care, and paramedicine.

AND WHEREAS the percentage of family physicians practicing comprehensive family medicine has declined from 77 in 2008 to 65 percent in 2022;

AND WHEREAS per capita health-care spending in Ontario is the lowest of all provinces in Canada,

AND WHEREAS a robust workforce developed through a provincial, sector-wide health human resources strategy would significantly improve access to health services across the province;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Township of Lake of Bays urge the Province of Ontario to recognize the physician shortage in the Township of Lake of Bays and Ontario, to fund health care appropriately and ensure every Ontarian has access to physician care.

Carried.”

Sincerely,

Carrie Sykes, *Dipl. M.A., CMO, AOMC*,
Director of Corporate Services/Clerk.
