Dear Premier Ford, Minister Khanjin, and Mr. Byers,

At the April 2, 2024, Town of South Bruce Peninsula Council meeting, the following resolution was passed:

R-111-2024

Whereas under Ontario Regulation 391/21: Blue Box, producers are fully accountable and financially responsible for their products and packaging once they reach their end of life and are disposed of, for 'eligible' sources only;

And whereas 'ineligible' sources which producers are not responsible for including businesses, places of worship, daycares, campgrounds, public-facing and internal areas of municipal-owned buildings and not-for-profit organizations, such as shelters and food banks;

And whereas should a municipality continue to provide services to the 'ineligible' sources, the municipality will be required to oversee the collection, transportation, and processing of the recycling, assuming 100% of the costs;

Therefore be it resolved that the Council of the Corporation of the Town of South Bruce Peninsula hereby request that the province amend Ontario Regulation 391/21: Blue Box, so that producers are responsible for the end-of-life management of recycling products from all sources;

And that Council hereby request the support of all Ontario municipalities;

And further that this resolution be forwarded to the Honourable Doug Ford, Premier of Ontario, the Honourable Andrea Khanjin, Minister of the Environment, Conservation and Parks, the Honourable Rick Byers, MPP Bruce-Grey-Owen Sound, and to all Ontario municipalities.

I trust you find this satisfactory; however, should you have any questions or require further information, please do not hesitate to contact the undersigned.

Yours truly,

Brianna Collins, P.Eng.
Director of Public Works
