September 27, 2024

Please be advised that the Town of Cobourg Council, at its meeting held on September 25, 2024, passed the following resolution:

WHEREAS the increased importation and use of non-Original Equipment Manufacturer (OEM) aftermarket batteries is presenting a significant increase in fire and explosion, putting citizens and responding personnel in danger; and

WHEREAS these aftermarket batteries are not Underwriter Laboratories of Canada (ULC) certified but can be imported into Canada without any associated regulations; and

WHEREAS unlicensed persons and locations can store and modify lithium-ion batteries in our communities without regulations, providing dangerous conditions within a community and charging these batteries within the home or multi-unit dwellings can result in larger fires with grave results; and

WHEREAS as Canada becomes more aware of Green Energy solutions, these batteries are used more often, increasing the danger to our communities.

NOW THEREFORE BE IT RESOLVED THAT the Town of Cobourg supports the resolution from the from Municipality of Wawa regarding regulations for the importation of safe use of lithium-ion batteries; and

FURTHER THAT the Council of the Corporation of the Town of Cobourg does hereby support the Ontario Fire Marshal's program to educate citizens on the danger associated with lithium-ion batteries and encourage every municipality to actively promote safe practices for the use of lithium-ion batteries; and

FURTHER THAT Council does hereby call upon all levels of government to enact regulations for the importation, sale, storage, and use of non-OEM or ULC certified lithium-ion batteries and that this resolution be shared with the Township of Otonabee-South Monaghan, the Ontario Municipal Fire Prevention Officers Association and all Ontario Municipalities.

Sincerely,

Deputy Clerk/Manager, Legislative Services
