Please note at their Regular Meeting held February 18, 2025, the Township of Val Rita-Harty Council passed the following resolution: 25-008

Moved by Councillor Roger Lachance
Second by Councillor Alain Tremblay

Whereas the federal government is currently in negotiations with the U.S. government on their proposed 25% tariffs on Canadian goods exported to the U.S.; and

Whereas Premier Doug Ford has outlined several plans to combat the impact the proposed tariffs would have on Ontario including Fortress Am-Can which focus on strengthening trade between Ontario and the U.S. while bringing good jobs back home for workers on both sides of the border; and

Whereas the federal government has also outlined several ways to address the current relationship with the U.S. including establishing the Council on Canada-U.S. relations to support the federal government as it negotiates with the U.S on tariffs; and

Whereas trade between Ontario and the United States is very important to our residents and local economies and requires all levels of government to work together in the best interest of those residents; and

Whereas according to data from the Association of Municipalities of Ontario, across Ontario municipalities are expected to spend between \$250 and \$290 billion on infrastructure in the next 10 years; and.

Whereas municipalities have traditionally treated all procurements from trade partners equally and fairly; and

Whereas municipalities can assist in the Team Canada effort to combat tariffs and support businesses in our procurement for capital and infrastructure programs; and

Whereas there are trade barriers between Canadian provinces.
