RE: Enabling a Municipal Response to Tariffs

Dear Prime Minister Carney,

The County of Bruce continues to monitor the situation with respect to proposed tariffs by the United States. Tariffs and the corresponding responses are inherently macro-economic in nature. Given this fact, the tools available to municipalities are limited.

The County of Bruce is adopting a strategy to respond to the impacts of tariffs locally which includes implementation of procurement policies focused on purchasing from Canadian sources, where permitted by trade agreements.

The County calls on the federal and provincial governments to take action to ensure that municipalities have the tools they need to protect Canadian consumers and businesses and ensure the continued prosperity of the Canadian economy. The attached resolution provides the details of the County's formal request.

Regards,

Luke Charbonneau,
