THE CORPORATION OF THE CITY OF DRYDEN

MOVED BY: Price

DATE: 22-Sep-25

SECONDED BY: Kiewning

RESOLUTION NO.: 14

Whereas drowning is one of the leading causes of preventable deaths among children in Ontario and research by the Lifesaving Society of Ontario shows that most children who drown never intended to be in the water; and

Whereas evidence demonstrates that even basic swimming and water survival skills significantly reduce the risk of drowning; and

Whereas many children in Ontario do not have equitable access to swimming lessons outside of school due to financial, cultural or geographic barriers; and

Whereas several municipalities across Ontario have expressed strong interest in improving water safety education for children; and

Whereas the Ministry of Education has the authority to incorporate water safety and survival training into the regular elementary school curriculum as a universal, life-saving skill comparable to fire safety and road safety instruction;

Therefore, be it resolved that the Council of The Corporation of The City of Dryden respectfully urges the Government of Ontario, through the Ministry of Education, to incorporate mandatory water safety and Swim-to-Survive training into the elementary school curriculum for all Ontario students; and

Be it further resolved that a copy of this resolution be forwarded to The Honourable Minister of Education of Ontario, local Members of Provincial Parliament, the Association of Municipalities of Ontario and all Ontario municipalities, with a request for their endorsement.
