Re: Advocacy for Funds to Effectively Manage the Emerald Ash Borer Infestation

Please be advised that during the regular Council meeting of September 15, 2025, Township of Stone Mills Council passed the following motion,

## **Resolution 19-695-2025**

**Whereas** the Emerald Ash Borer (EAB) infestation has resulted in a substantial increase in dead ash trees throughout Ontario, resulting in extensive ecological, economic, and public safety challenges;

**And Whereas** dead ash trees contribute to potential hazards, including falling limbs, compromised power lines, and blocked transportation routes, posing significant threats to public safety;

**And Whereas** removing and replacing dead ash trees is a costly undertaking that imposes financial burdens on municipalities, private organizations, and individual property owners;

**Therefore, Be It Resolved That** the Council of the Township of Stone Mills formally requests that the Provincial and Federal governments establish a dedicated fund to assist municipal governments, private organizations, and property owners in effectively managing the removal and replanting of trees, thereby addressing the aftermath of the EAB infestation.

**Be It Further Resolved That** funding support should encompass:

1. Grants for municipalities to fund community-wide removal and replanting initiatives.
2. Financial assistance for private organizations engaged in environmentally restorative work.
3. Subsidies for individual property owners to safely remove and replace dead ash trees.

**And Be It Further Resolved That** this request be forwarded to relevant Provincial and Federal ministries and agencies involved in environmental management, forestry, and public safety.

**Be It Finally Resolved That** a supporting letter be drafted and disseminated to other municipalities across Ontario to encourage regional advocacy and collaboration in addressing this ecological challenge.

**Moved By** Councillor Fenwick  
**Seconded By** Deputy Woodcock  
**Carried**
