REGULAR COUNCIL MEETING

RESOLUTION

Resolution # RC25195	Meeting Order: 7
Moved by: [REDACTED]	Seconded by: [REDACTED]

**WHEREAS** The Government of Ontario has passed Bill 5, Protect Ontario by Unleashing Our Economy Act, 2025, aiming to facilitate and accelerate resource development in Northern Ontario; and

**WHEREAS** Bill 5 presents far-reaching implications for municipalities, First Nations, and Indigenous communities across Northern Ontario—particularly affecting natural ecosystems and regions where women, Two-Spirit, and gender-diverse people have historically borne the brunt of unchecked development and continue to face systemic disparities and heightened risks tied to resource extraction; and

**WHEREAS** Women are too often included in economic and development decisions as an afterthought, rather than as proactive and central stakeholders, despite their increasing presence in leadership across municipalities, First Nations governments, community services, and economic development organizations; and

**WHEREAS** First Nations of Ontario women continue to be underrepresented at decision-making tables, despite significant leadership: as of recent reports, women hold over 35% of elected Chief positions in First Nations of Ontario, and significantly more leadership positions within community organizations, health, and education boards - positions that bring deep experience in balancing development with community well-being; and

**WHEREAS** The legacy of natural resource development in Northern Ontario has contributed to environmental degradation and social disruption, including clear links to the ongoing crisis of Missing and Murdered Indigenous Women, Girls, and Two-Spirit People (MMIWG2S); and

**WHEREAS** The National Inquiry into Missing and Murdered Indigenous Women, Girls, and Two-Spirit People (MMIWG2S) identified extractive industries as a key contributor to increased vulnerability to violence, especially in isolated development zones lacking oversight and safeguards; and

REGULAR COUNCIL MEETING

RESOLUTION

---

**WHEREAS** Resource extraction has historically contributed to environmental degradation, increased cost-of-living, housing instability, and elevated levels of gender-based violence, particularly in rural and remote areas; and

**WHEREAS** Without gender-based and culturally informed planning, development under Bill 5 risks reproducing the same harmful patterns of exclusion, exploitation, and environmental harm that have characterized previous waves of resource development; and

**WHEREAS** Development under Bill 5 also presents opportunities for women's economic empowerment—including entry into skilled trades, environmental monitoring, and leadership roles in infrastructure and project planning—if such pathways are made intentional, accessible, and equitable; and

**WHEREAS** Environmental degradation is directly linked to the health and well-being of women and children, particularly in remote and Indigenous communities where access to clean water, healthy food systems, and cultural practices are tied to land-based knowledge; and

**WHEREAS** The Province of Ontario has an obligation to ensure that economic growth is not achieved at the expense of women's safety, human rights, or environmental integrity.

**NOW, THEREFORE, BE IT RESOLVED THAT** The Corporation of the Municipality of Wawa calls on the Province of Ontario to:

1. Ensure that women, Two-Spirit, and gender-diverse people—particularly from Indigenous and Northern communities—are actively engaged at the forefront of all planning, consultation, and implementation processes under Bill 5, from concept to completion;
2. Establish a dedicated Ministerial role or mandate for overseeing and safeguarding women's rights, safety, and economic opportunity throughout the resource development process, including authority to apply gender-based impact assessments to proposed projects;
3. Mandate gender-based and intersectional impact assessments be carried out on all developments enabled by Bill 5, particularly with regard to safety, housing, transportation, healthcare access, and cultural impacts on women and girls;
