RE: Support for Enhanced School Bus Safety and the Implementation of Stop-Arm Camera Systems

Dear Premier Ford and Minister Sarkaria,

On behalf of the Grenville 1 O.P.P. Detachment Board, we are writing to express our strong support for enhanced school bus safety measures across Ontario, including the implementation of school bus stop-arm camera systems and other child-safety technologies.

Illegal passing of stopped school buses remains a persistent and dangerous problem in Ontario, occurring an estimated 30,000 times per day. These violations place children at serious risk and continue to result in preventable injuries and fatalities. Municipalities require additional tools to address this issue effectively and consistently.

The Grenville 1 O.P.P. Detachment Board supports provincial investment in and expansion of school bus stop-arm camera systems under Part XIV.3 (School Bus Camera Systems) of the Highway Traffic Act. These systems have proven effective in deterring dangerous driving behaviour, improving compliance, and enhancing accountability. Provincial funding and support would enable municipalities to implement these technologies equitably and at scale.

Grenville 1 O.P.P. Detachment Board also proudly supports the Let's Remember Adam – Stop for the School Bus campaign, launched in memory of Adam Ranger, a five-year-old child who tragically lost his life when a driver failed to stop for a school bus displaying its flashing lights and stop arm. Adam's story underscores the urgent need for stronger enforcement, public education, and modern safety solutions to protect children travelling to and from school.

We respectfully call on the Province of Ontario to continue advancing this life-saving work by providing municipalities with the funding mechanisms, legislative support, and implementation guidance necessary to deploy stop-arm cameras and complementary safety technologies province-wide.

Protecting children is a shared responsibility. With provincial leadership and municipal partnership, we can take meaningful action to prevent further tragedies and ensure Ontario's roads are safer for students and families.

Thank you for your consideration and continued commitment to road safety.

Sincerely,

Mayor N. Peckford (Co-chair)
Municipality of North Grenville

Mayor M. Cameron (Co-chair)
Village of Merrickville-Wolford

Re: Municipal Support for School Bus Safety and Stop-Arm Camera Systems

Dear Premier Ford and Minister Sarkaria,

On behalf of the **[Council / Municipality / Township / City] of [Municipality Name]**, I am writing to express our strong support for enhanced school bus safety measures across Ontario, including the implementation of school bus stop-arm camera systems and other child-safety technologies.

Illegal passing of stopped school buses remains a serious and widespread issue throughout the province, occurring an estimated 30,000 times per day. These violations place children at unacceptable risk and continue to result in preventable injuries and fatalities. Municipalities require effective, modern enforcement tools to address this dangerous behaviour.

[Municipality Name] supports provincial investment in and expansion of school bus stop-arm camera systems under Part XIV.3 (School Bus Camera Systems) of the *Highway Traffic Act*. These systems have demonstrated success in deterring illegal passing, improving driver compliance, and strengthening accountability. Provincial funding and implementation support would help ensure municipalities of all sizes can deploy this technology equitably.

We also support the Let's Remember Adam – Stop for the School Bus campaign, launched in memory of Adam Ranger, a five-year-old child who tragically lost his life when a driver failed to stop for a school bus displaying its flashing lights and stop arm. This tragedy highlights the urgent need for continued public education, enforcement, and the use of technology to better protect children travelling to and from school.

We respectfully call on the Province of Ontario to provide municipalities with the necessary funding tools, legislative support, and implementation guidance to advance school bus stop-arm camera systems and complementary child-safety initiatives across Ontario.

Protecting children on our roads is a shared responsibility. Through strong provincial leadership and municipal partnership, meaningful progress can be made to prevent further tragedies and enhance road safety for families across Ontario.

Thank you for your attention to this important matter.

Sincerely,
