Re: Request for Provincial School Board Governance Consultation Process

Dear Premier Ford and Minister Calandra,

On behalf of the Board of Trustees of the Durham District School Board, I am writing to request that a province-wide consultation process take place before making any governance changes or decisions that would result in the elimination of school board trustees.

The potential elimination of trustees is concerning and represents a significant shift in Ontario's education governance. Trustees serve as a longstanding, essential democratic link between local communities and the public education system. Any change of this magnitude should not be considered without seeking input through evidence-based research and meaningful public engagement.

It is essential that communities have an opportunity to fully understand and respond to the implications of a proposal that would remove school board trustees, which may have unintended negative consequences on the communities that we are elected to serve. We understand you have recently heard from a number of other boards across the province, and we strongly agree with the statement from our colleagues at Avon Maitland DSB that *"transparency regarding the rationale, objectives, and anticipated outcomes of this proposal is essential to maintaining public trust and ensuring informed dialogue."*

Durham Region includes diverse, urban, suburban, and rural communities, all with vastly varying histories and needs. Local representation ensures the unique needs of each of our communities are considered and met. As a Board of Trustees, we are firmly and proudly
